

Harold is retired and starting to burn through his savings going on expensive vacations to tropical places.

Harold checks his bank account and sees that he has no money left.

Harold decides to join the Granny Gauge app to make some money to afford his lavish lifestyle.

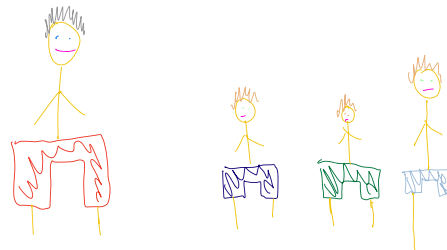

Harold joined the Granny Gauge service as a sitter. He started watching Chowder, a very violent 4 year old.

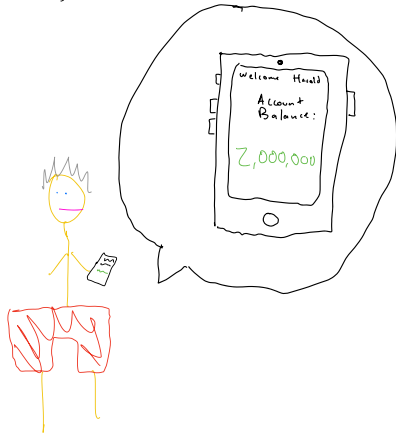

Harold was paid very handsomely for watching and putting up with Chowder for 3 years.

After the 3 years of watching Chowder, it still was not enough to return to his lavish lifestyle. Harold then advertised himself on the app and was able to watch numerous kids over the course of 2 years.

Harold was able to make bank from working on the Granny Gadge app.

Harold is able to return to enjoying his lavish vacations.
